Re: CHOW WEI KUAN, KAYDEN

I am Mr Zulkifli and was formerly Kayden's Design & Technology Teacher.

Kayden is a student of Tampines Secondary School from 2022 to 2025 and he is under my charge in my D&T class in 2024 and 2025.

He is a responsible and mature D&T student who sets high standards for himself in whatever he does. A diligent and disciplined student, he takes great pride in his work and sees challenges as opportunities to further improve himself. Kayden dare to take risks and is proactive in experimenting different solutions for his D&T product solution.

He is also an intelligent student who is able to grasp new concepts at ease. He possesses an excellent work attitude and is extremely reliable, shown in his commitment to his CCA. Be it in academic pursuits or in his D&T processes, he has worked hard and given his very best. He is willing to go out of his comfort zone to achieve excellence in his work. His quest to improve himself has enabled him to go out all the way to widen his potential.

In all, Kayden is a talented all-rounder student who has been an asset to the school as well as his class. With his maturity to handle difficult situations and a willingness to improve, he is fully capable of assuming greater responsibilities in whatever he does.

Best Regards,

Mr Zulkifli Bin Mohamed
